

REMARKS

Claims 1-20 are pending in the present application. Reconsideration of the rejection of the application is respectfully requested in view of the following remarks.

Rejection of the Claims under Obviousness-Type Double Patenting

Claims 1-20 were rejected on the ground of nonstatutory double patenting over claims 1-23 of U.S. Patent No. 6,643,770. In response, Applicant submits a duly executed Terminal Disclaimer. Accordingly, reconsideration and withdrawal of the rejection is respectfully requested.

Rejection of the Claims under 35 U.S.C. § 112, Second Paragraph

Claims 2-5 were rejected under 35 U.S.C. § 112, second paragraph as failing to distinctly claim the invention. An inadvertent typographical error to claim 2 as been amended to address the rejection. Accordingly, reconsideration and withdrawal of the rejection of claims 2-5 under 35 U.S.C. § 112, second paragraph is respectfully requested.

CONCLUSION

Applicant respectfully requests entry of the above amendments and favorable action in connection with this application.

The Examiner is invited to contact the undersigned to discuss any matter concerning this application.

The Office is hereby authorized to charge any fees required under 37 C.F.R. §§ 1.16 or 1.17 or credit any overpayment to Kenyon and Kenyon Deposit Account No. 11-0600.

Respectfully submitted,

KENYON & KENYON LLP
